

Becoming an Evocative Coach Practice Guide
Chapter 1: Activity 1

Activity 1.1 Interview: To explore your own experiences and beliefs conduct an interview with a friend or colleague. Ask them to tell you about an experience that they had of learning as an adult that they found particularly meaningful and engaging.

*What about that
learning experience
made it so fruitful and
enlivening? How does
that experience
continue to impact the
ways you work with
others?*
