

Becoming an Evocative Coach Practice Guide
Chapter 2: Activity 9

Activity 2.9 Coaching Presence: Review the coaching platform you developed in the last chapter. Reflect on what your coaching platform means to you and how it influences your coaching presence.

*What does your
platform convey about
your coaching
presence?*

*How does it represent
your intention in creating
coaching spaces for the
energies of calm
assurance,
lightheartedness, and
openness to possibility?*
